

## TEGULA IN-OUT GLASSES

In/Out Product Code SPE-2531

### ABOUT THIS PRODUCT

Experience superior eye protection with the Tegula In-out safety Glasses. Featuring polycarbonate UV-filtering lenses, these glasses guard against harmful rays while ensuring high clarity and minimal distortion. Designed to protect against high-speed particles, they include extended side frames for extra coverage. A comfortable nose pad and lightweight design minimize fatigue during extended wear. The In-out lens reduces glare and enhances visibility in various light conditions. With flexible arms for a secure, customized fit, the Tegula In-out Safety Glasses are ideal for all-day use.
